

Space Needed For:

Orientation

The **Orientation** (for the Female Math Course) is eight hours long and takes place at least two weeks before the start of the Female Math Course. During Orientation students will:

- take miscellaneous assessments and receive a variety of handouts (the contents of which must be memorized by the start of the Female Math Course,
- be assigned to a team (the members with which they will work for the duration of the Female Math Course)
- review various Female Math Course documents,
- sign up for the community service component,
- participate in two workshops,
- complete “Application for TASC Testing” form.

We’re seeking space:

- for 50 students
- with cafeteria-like tables (so that the students can work in teams)
- near public transportation
- on Saturday
- from 7:30 a.m. to 4:30 p.m.
